

# DIVINE & DESIRED COCKTAIL CATERING

## **Who Are We?**

We are a Black, Woman-Owned small business dedicated to providing a safe, inclusive, and professional environment at your special event!

## **What Do We Do?**

Short and sweet, we are a mobile bartending service. We offer both simple and elaborate styling designs so our bar will match your special event. Need just the basics? We can cover that too!

## **How Does It Work?**

Our process is pretty simple.

- 1)** We have a consultation via phone to discuss your event.
- 2)** YOU PURCHASE THE LIQUOR!
- 3)** We show up and make the magic happen.

## **Wait, What?**

Unfortunately, North & South Carolina laws restrict the reselling of alcohol. For those reasons, we are unable to purchase any alcohol containing item. HOWEVER, We can accompany you to the store, or make suggestions based on your event.
